

The Cutting Edge Revolution 21

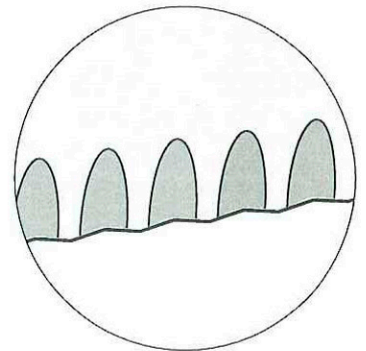

Blade material 420 J2
HRC 50

Handle material Heat-resistant P.P resin
Dishwasher safe and Anti-bacteria

Sharpness "Microdent Process Serrated Edge"
It creates amazingly razor sharp and longer edge retention.
Our testing has proved that it will hold a sharp edge 20 times longer than normal straight edge.
Easy re-sharpening too !

Microdent Process
Serrated Edge
